This Isn't Just a Race. It's a State of Mind.

Adrenaline. Speed. Gravity. Wind.

OAKLEY OUTRUNNER

AMD - SS26 | Tankut Cekic

The Oakley Outrunner is a zero-compromise synthesis of aviation-inspired Aero Volumetrics and "Mad Science" heritage. The fuselage is sculpted from ultra-thin aluminum sheets for aerospace rigidity, while the lower chassis is forged from recycled Oakley frames. These elements unite at the Kinetic Seam: a structural interlock where high-speed flight meets the grit of the road. Designed by pure physics to master gravity with absolute precision.

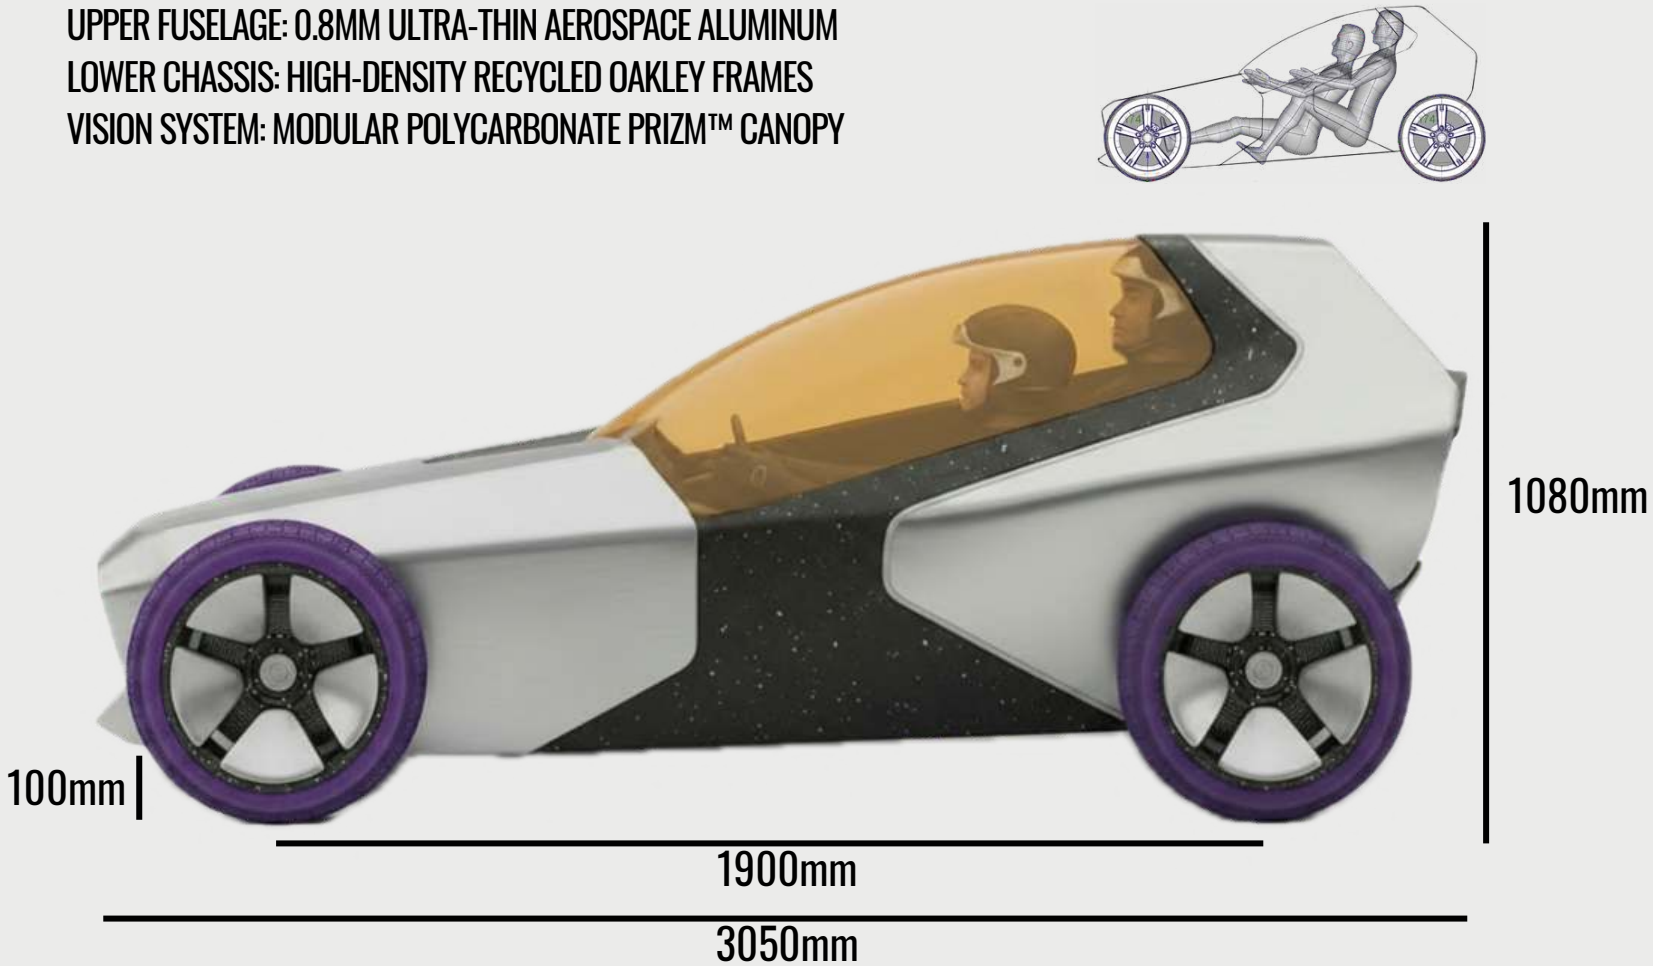

The Vision Canopy

The Macro-Lens: A high-wrap, zero-distortion canopy engineered with Oakley Prizm™ technology for unprecedented visual clarity.

THANK YOU

FOR YOUR ATTENTION

Portigo

/pôr'tēgō/

A modern synthesis of

Port (carry/transport) +

Amigo (companion/friend) +

Go (movement/action).

Sketches

Built for Connection

Portigo redefines how we move together. It is a friendly, forward-thinking electric mobility solution designed to carry both your essentials and your favorite companion.

Concept Features

Front Cargo Bay

Transport groceries or bags up front. Enjoy easy visibility and interaction while riding.

Stand-On Rear Deck

Features an integrated, secure, grip-taped platform over the rear axle, enabling an adult passenger to stand comfortably and safely.

Optimized Agile Length

Maintains compact utility-bike length by adding zero additional length to the rear, ensuring better maneuverability than extended-length models.

The Integrated Foot-Rack

- A reinforced **rear platform** allows a second **passenger** to step up and ride **securely**.
- Aligning the passenger's weight directly over the **rear axle** maintains exceptional **agility and balance**.

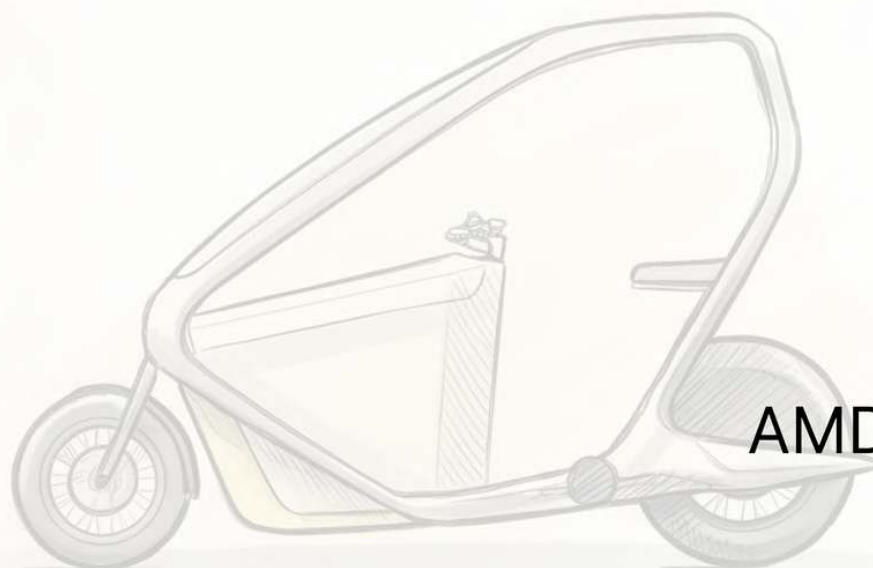

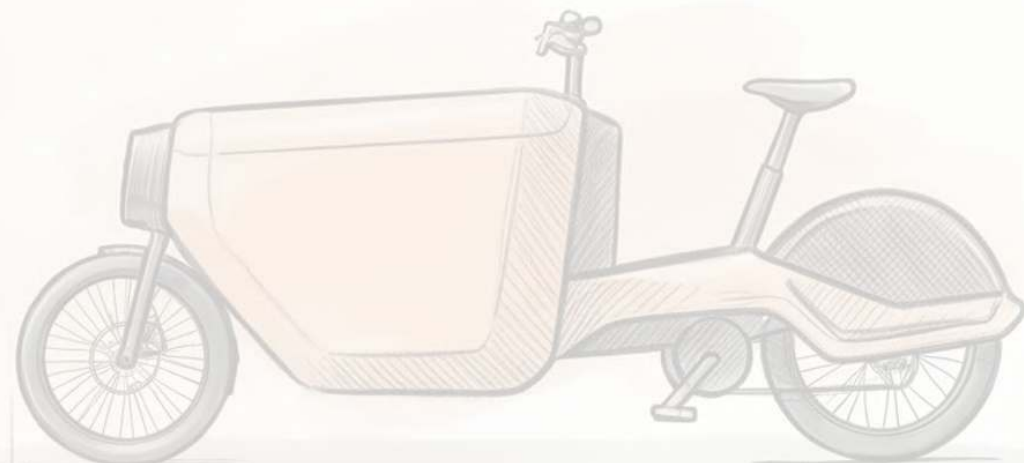

Uncompromised Cargo

- **Lockable, weather-sealed** protection keeps your daily essentials safe from the elements.
- Spacious interior featuring integrated **lighting** and **organization nets**.
- Low center of gravity maintains **stable** handling even when fully loaded.

Thank you!
