

Exterior Project

Chinese Luxury

How could the chinese luxury car,
look in 2035? Maybe

the looks of an limousine,
but space of an SUV.

For who?

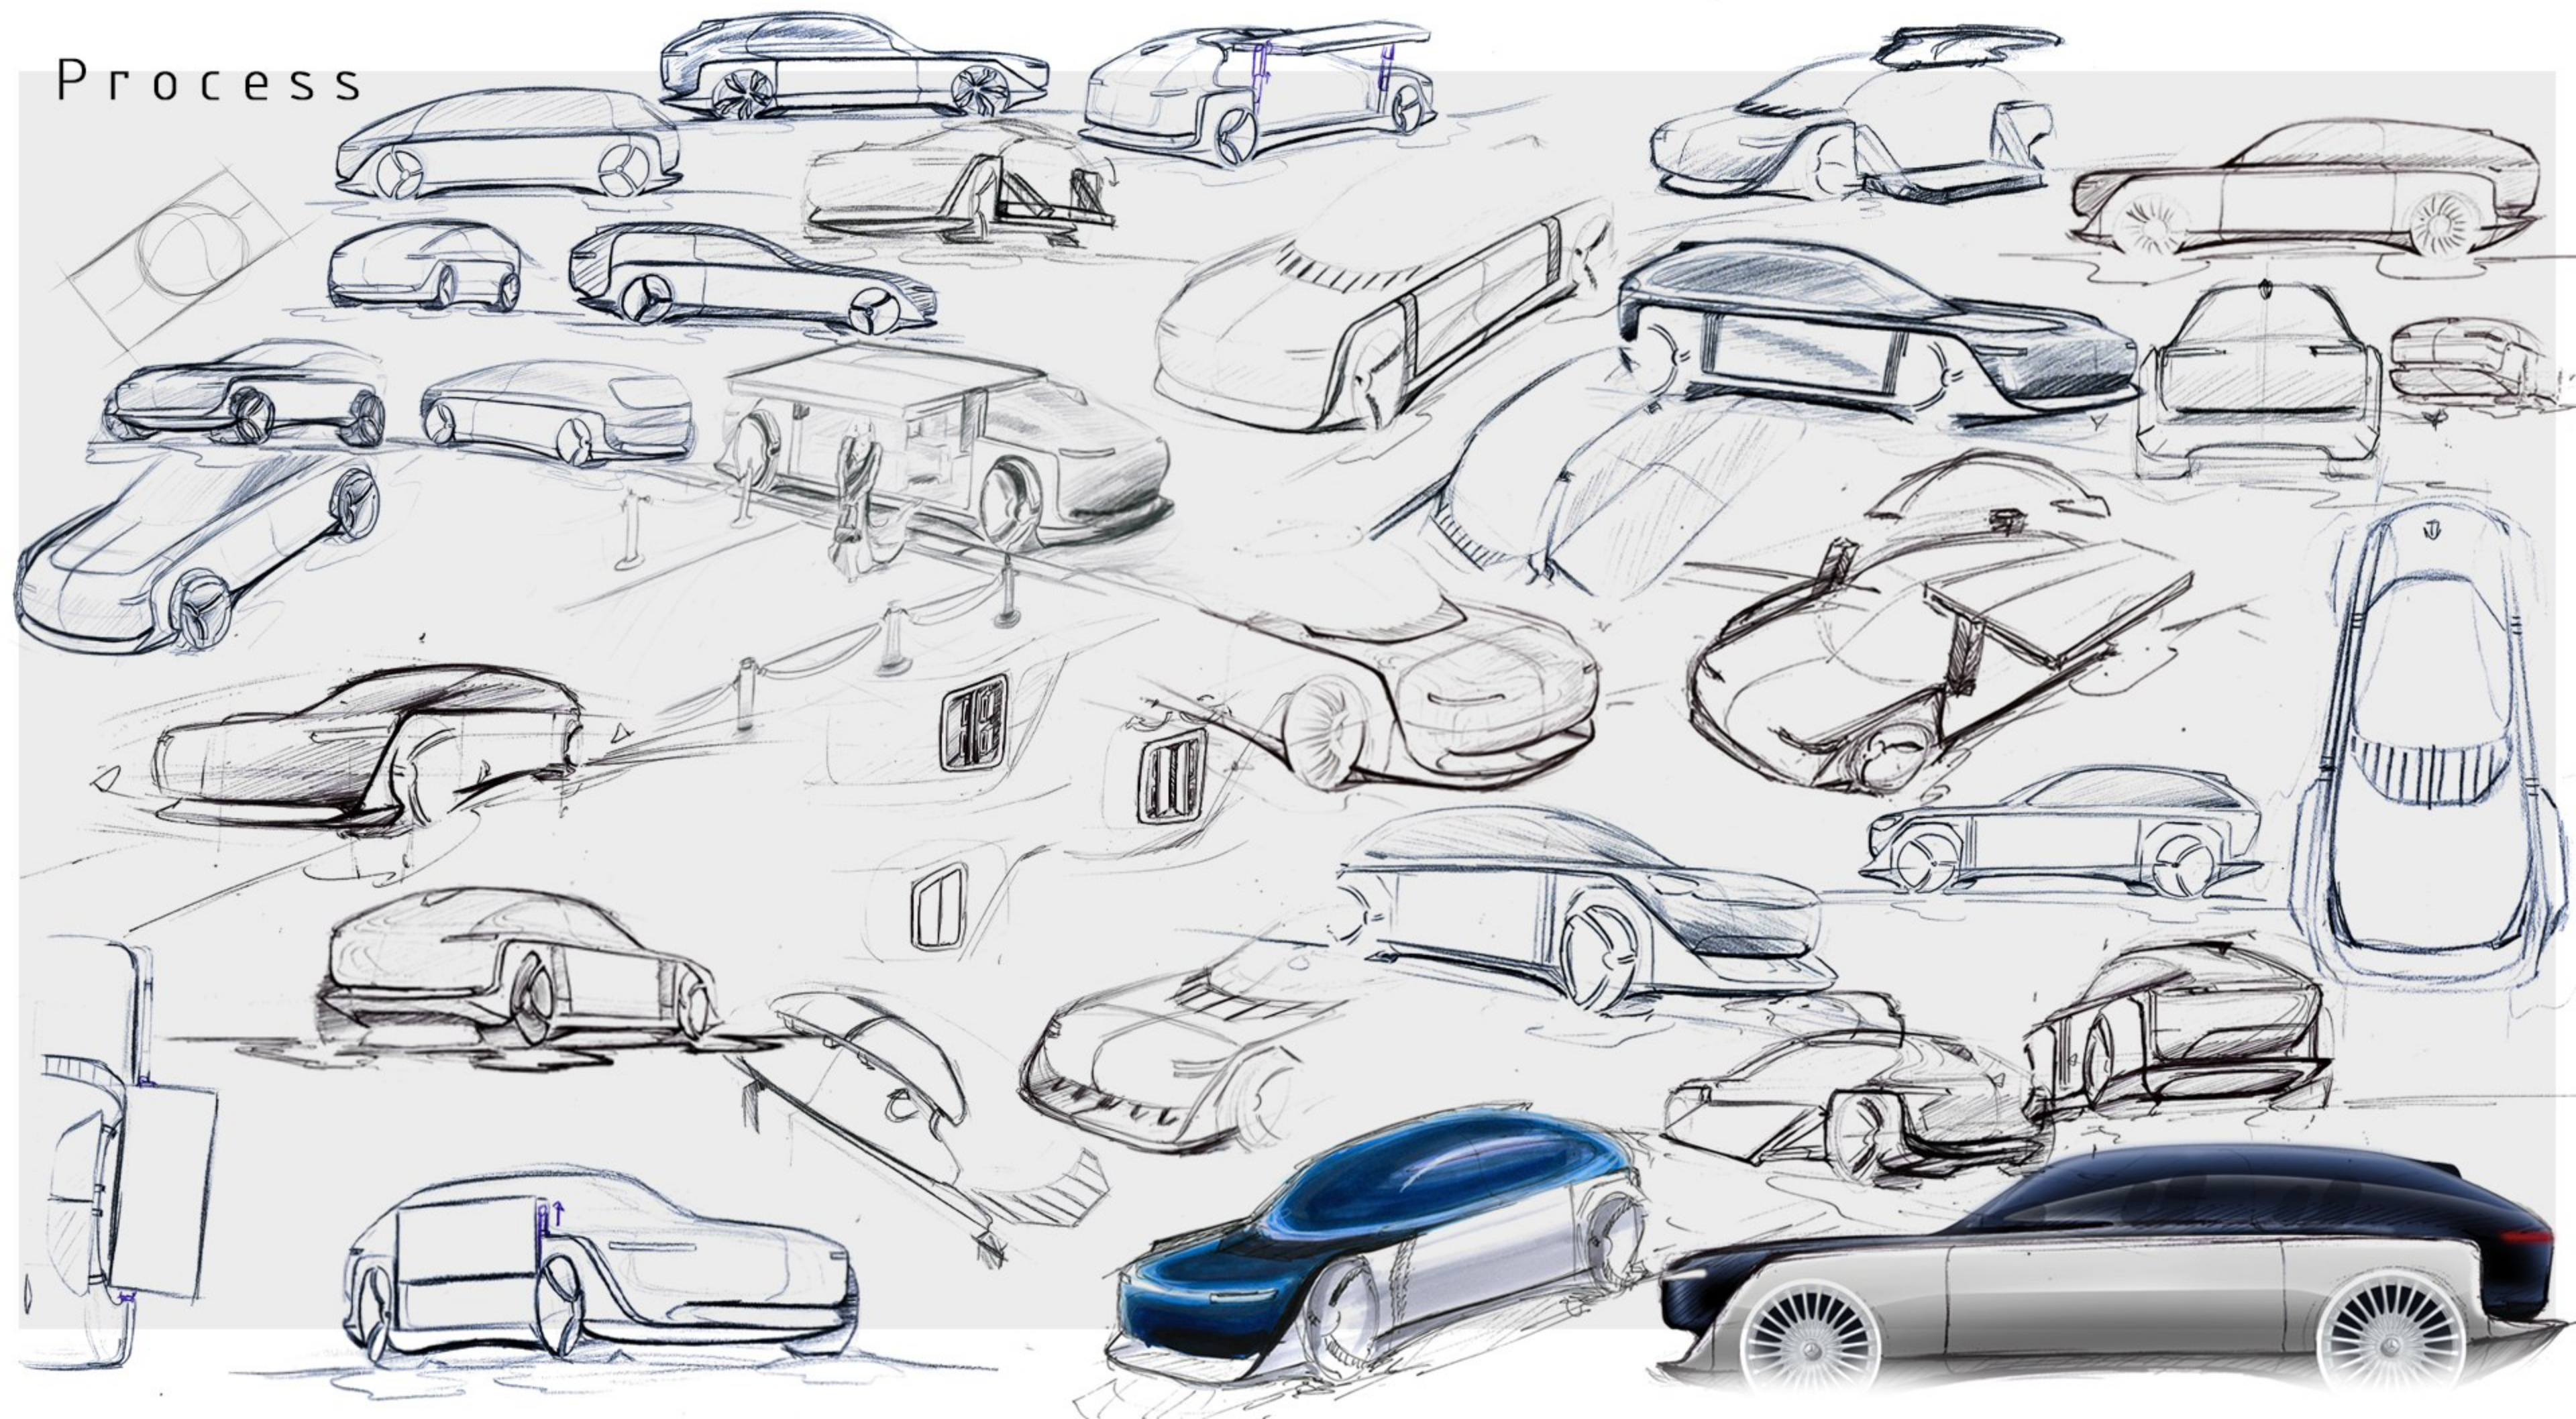

Age	-	25
Money	-	Enough
What he wants	-	Statussymbol and comfort

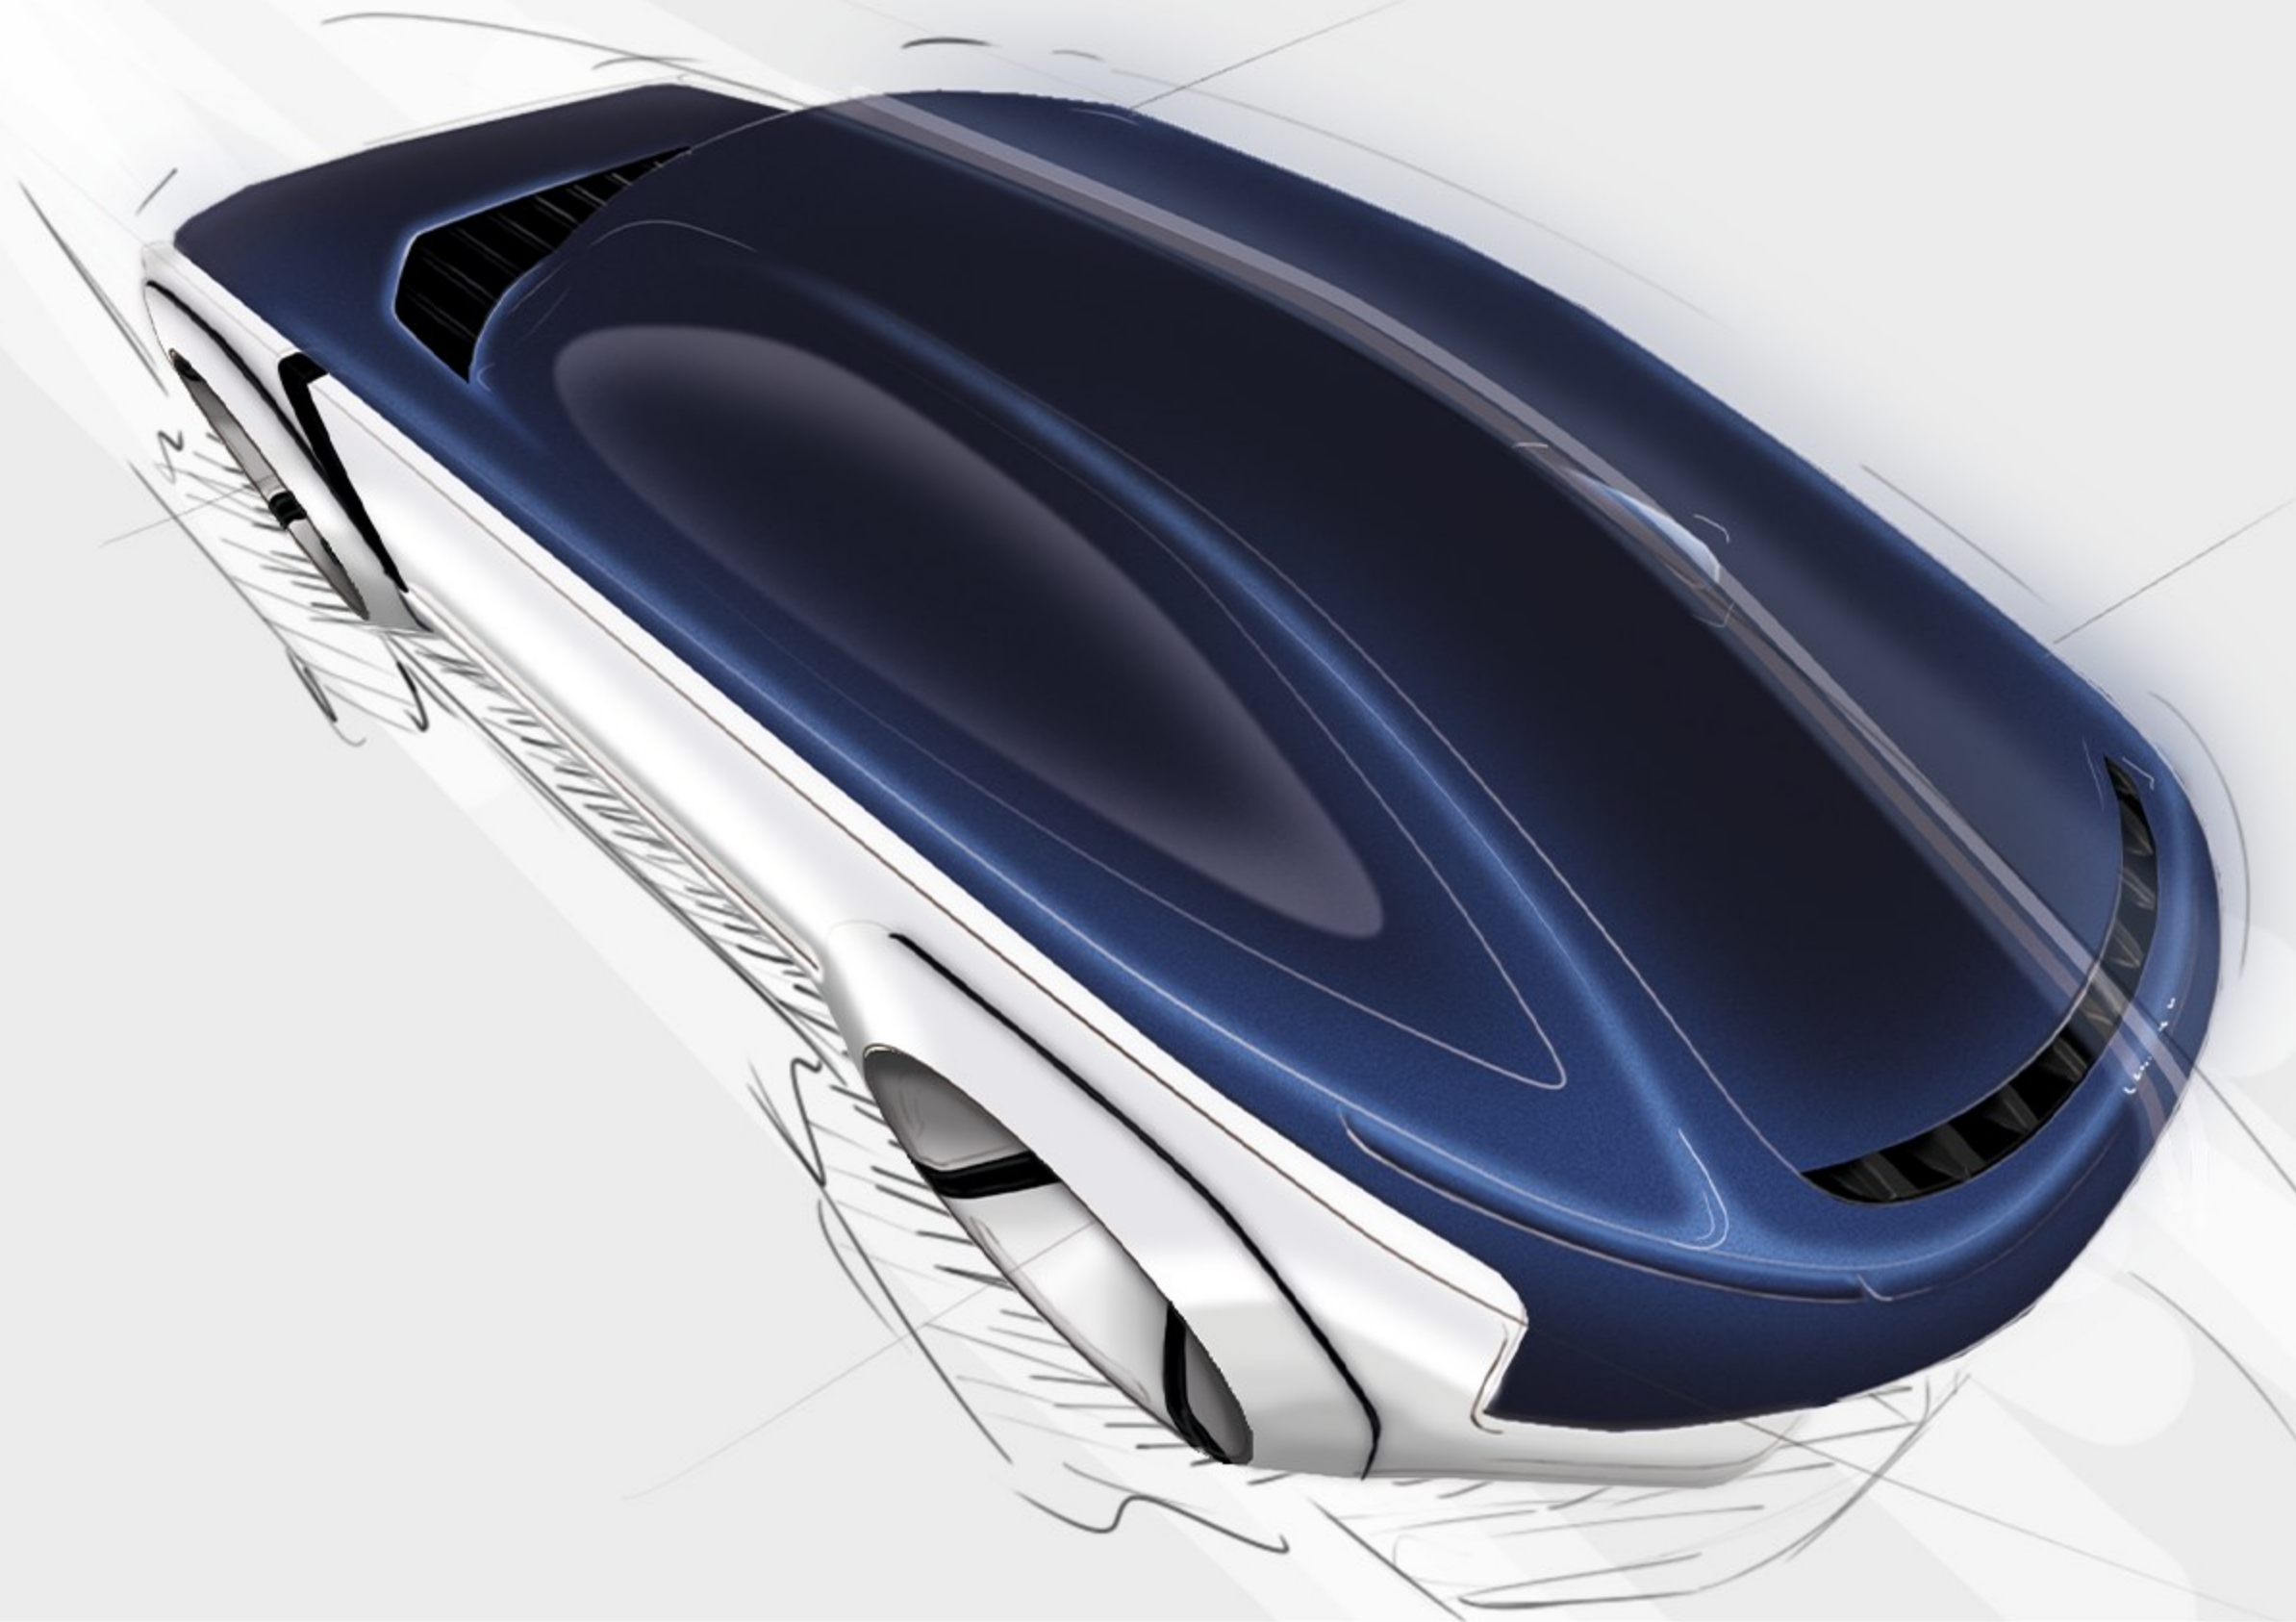

Moodboard

Process

Photoshop

Concept-Rendering

A fancy door mechanism that folds open and reveals the treasure inside. It also gives a little protection against rain and so on. It's also a little entertainment

Concept-Rendering

L: 5.751 mm
H: 1.800 mm
Batterie in the front and elektrik motor in the rear
