

Lamborghini Manifesto

interior cooperation project

DM4 - Chiara Martin - SS2026

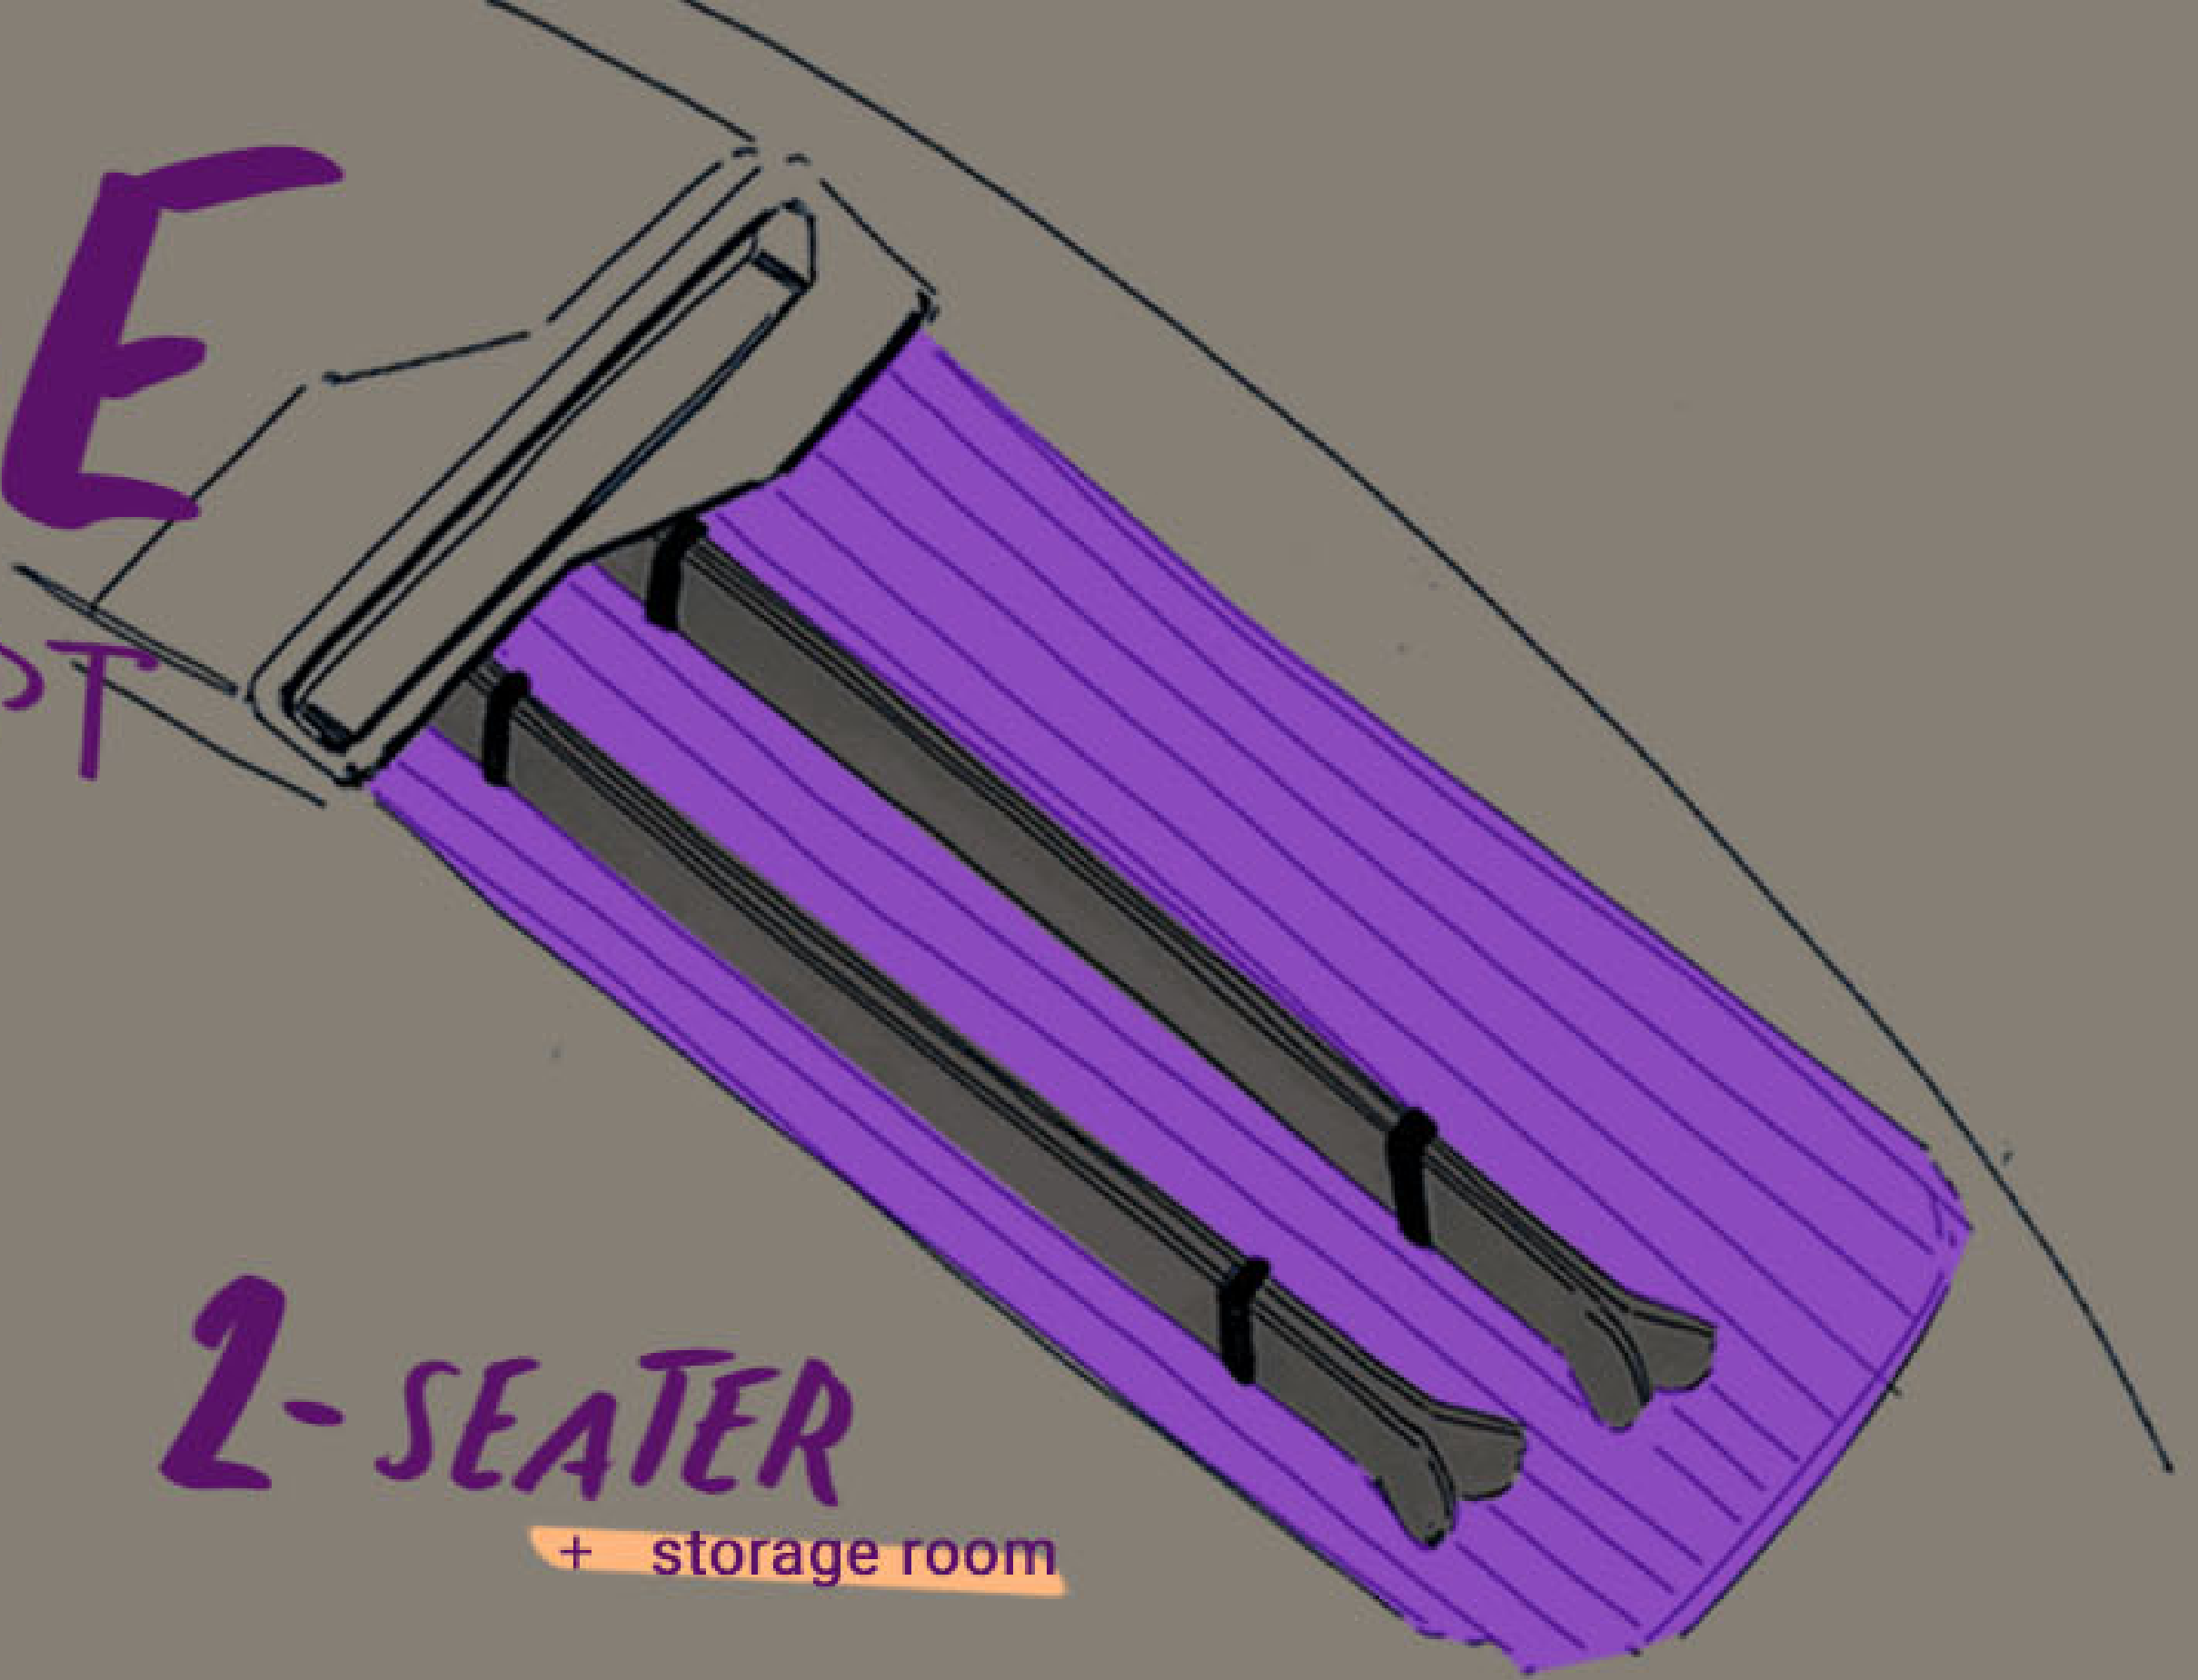

Project Briefing – Feel Like a Pilot: Supersports Car Interior for 2040

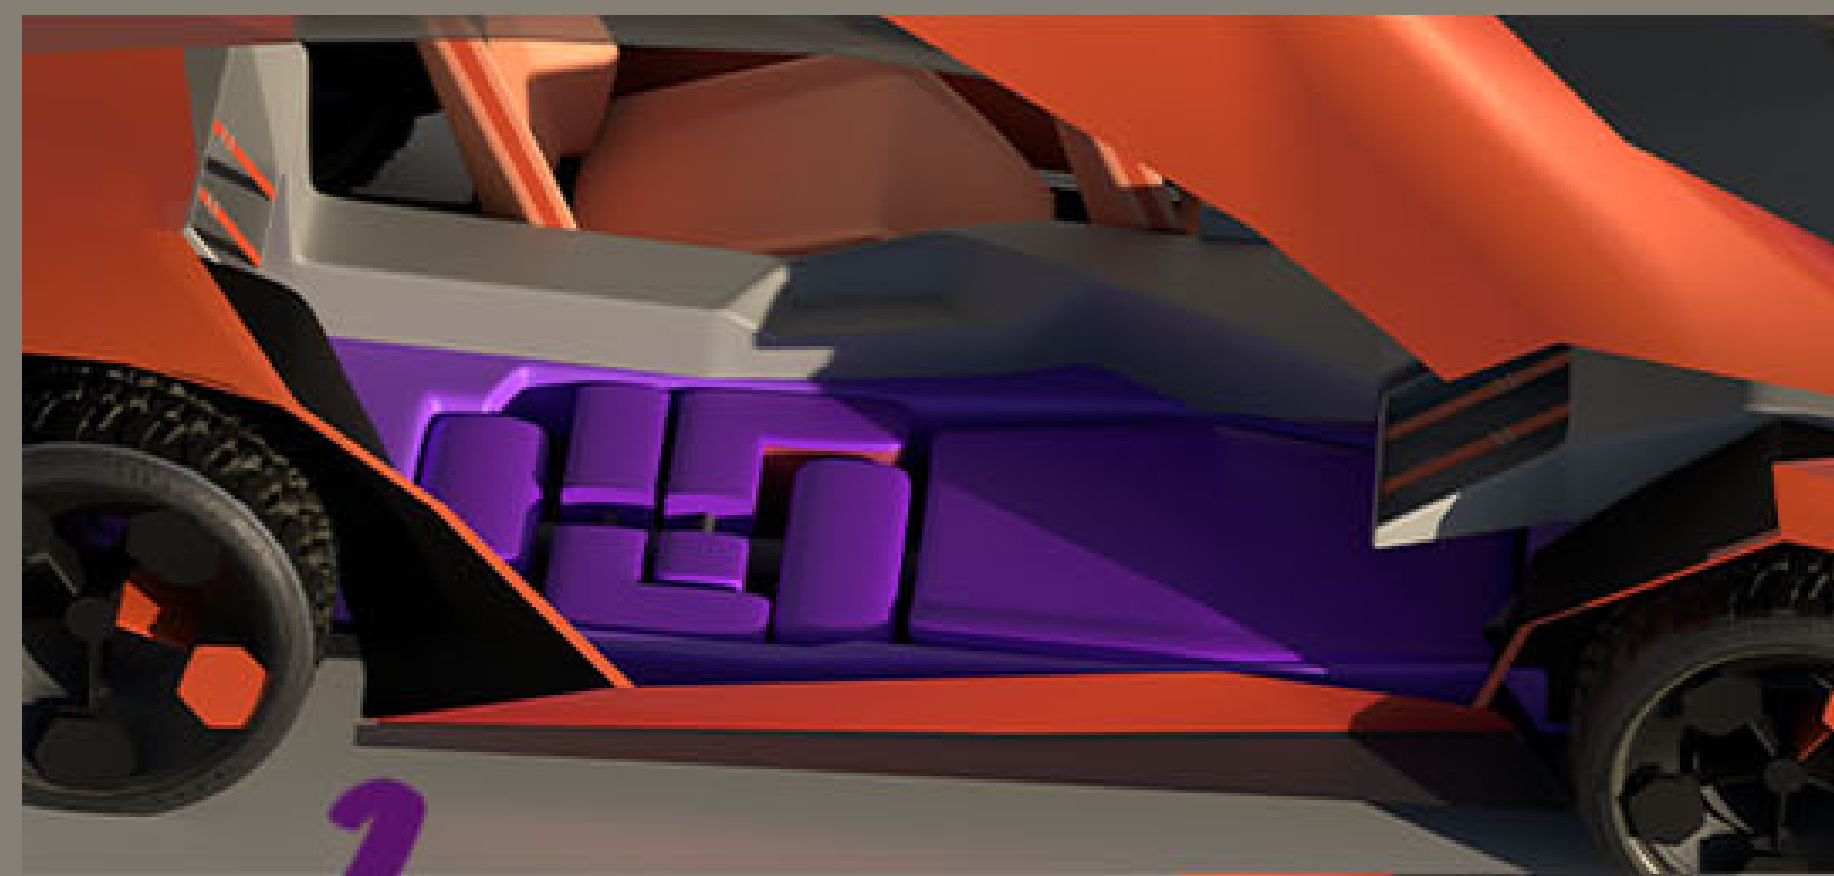

- design a visionary interior concept for a 2040 supersports car inspired by the Lamborghini Manifesto study
 - joystick steering system based on the RWTH Aachen Institute for Automotive Engineering's SpeedE research
 - develop a forward-looking user interface concept and a coherent CMF strategy
 - from April 1 to July 9, 2026
- concept sketches and graphic views, culminating in a 3D volume model and a series of AI-generated renderings
